BUSINESS TAX

NEW HAMPSHIRE DEPARTMENT OF REVENUE ADMINISTRATION

GENERAL INSTRUCTIONS FOR FILING BUSINESS TAXES

_				
	G	en	Inst	

Gen.	Inst.
S-CORP FILERS	New Hampshire treats subchapter "S" corporations as if they were "C" corporations. All S-corporations are required to complete Form DP-120, Computation of "S" Corporation Gross Business Profits. Returns filed without a Form DP-120 will be incomplete and may be returned to the taxpayer. S-corporations who make actual distributions to New Hampshire resident shareholders are required to file Form DP-9, Small Business Corporation (S-Corp) Information Report separately from the return.
SINGLE MEMBER LIMITED	For NH taxation purposes, an SMLLC is recognized as an entity separate from its members. An SMLLC is required to report and file NH taxable activities at the entity level. An SMLLC is required by law to file a NH tax return even though the SMLLC does not file a separate federal tax return.
COMPANIES	If the SMLLC does not have a federal employer identification number; shares a taxpayer identification number with another entity; or is not required to obtain a federal employer identification number, social security number or an individual taxpayer identification number issued by the Internal Revenue Service. THE SMLLC's MUST USE A DEPARTMENT IDENTIFICATION NUMBER (DIN) WHEN FILING ALL TAX RELATED DOCUMENTS. Form DP-200 shall be used to apply for a New Hampshire Department of Revenue Administration assign identification number.
	Your DIN shall be used in place of the entity's federal employer identification number. When filing all future documents, the DIN shall be entered wherever federal employer identification numbers or social security numbers are required.
ESTIMATED BPT & BET PAYMENTS	Every entity required to file a Business Profits Tax (BPT) return and/or a Business Enterprise Tax (BET) return must also make quarterly estimated tax payments for each individual tax for its subsequent taxable period, unless the ANNUAL estimated tax for the subsequent taxable period for each tax individually is less than \$200. However, if at the end of any quarter the estimated tax for the year exceeds \$200, an estimated tax payment must be filed. The quarterly estimates are 25% of the estimated tax liability. See the instructions with the Estimated Business Profits Tax Form for exceptions and penalties for noncompliance.
	INTERNAL REVENUE CODE (IRC) AND NEW HAMPSHIRE RECONCILIATION
	The New Hampshire Legislature has not changed the current business tax laws to conform with the federal tax law changes. The Internal Revenue Code (IRC) reference remains the Code in effect on December 31, 2000. Therefore, if changes are used on your federal filing, business taxpayers must recalculate their New Hampshire gross business profits utilizing the applicable NH Schedule R. Schedule R has been provided in this booklet for each business entity type to assist businesses in recalculating their New Hampshire Gross Business Profits. The completed Schedule R must be filed with the corresponding New Hampshire Business Tax return.
REFERENCES TO FEDERAL FORMS	All references to federal tax forms and form lines are based on draft forms available at the time the state forms were printed. If the federal line number and description do not match, follow the line description or contact the Department at (603) 271-2191.
ATTACH FEDERAL SCHED- ULES/ FORMS	All Business Profits Tax returns must be accompanied by a complete and legible copy of the federal income tax return or other appropriate federal forms, consolidating schedules and supporting schedules. The corporate return must have the federal Form 1120, pages 1, 2, 3 and 4 and all schedules. Corporations may submit the consolidating and supporting schedules ONLY using a Compact Disc (CD) in a PDF or PDF compatible format. The proprietorship return must have federal schedules C, D, E, F, Form 4797 and Form 6252, if applicable. The partnership return must have the federal Form 1065, pages 1,2,3, and 4 and applicable schedules. The fiduciary return must have the federal Form 1041, pages 1, 2, 3 and 4, and applicable schedules. Failure to attach all federal schedules as required shall be deemed a failure to file a New Hampshire return and may subject the taxpayer to penalties.
CONFIDEN- TIAL INFORMA- TION	Disclosure of federal employer identification numbers and social security numbers is mandatory under New Hampshire Department of Revenue Administration rules 203.01, 221.02, 221.03. This information is required for the purpose of administering the tax laws of this state and authorized by 42 U.S.C.S. § 405 (c) (2) (C) (i).
non	Tax information which is disclosed to the New Hampshire Department of Revenue Administration is held in strict confidence by law. The information may be disclosed to the United States Internal Revenue Service, agencies responsible for the administration of taxes in other states in accordance with compacts for the exchange of information, and as otherwise authorized by New Hampshire Revised Statutes Annotated 21-J:14.
	The failure to provide federal employer identification numbers and social security numbers may result in the rejection of a return or application. The failure to timely file a return or application complete with social security numbers may result in the imposition of civil or criminal penalties, the disallowance of claimed exemptions, exclusions, credits, deductions, or an adjustment that may result in increased tax liability.
AMENDED RETURNS	If you discover an error was made on your BET and/or BPT return(s) after they were filed, amended returns should be promptly filed by completing a corrected Form BT-SUMMARY and the appropriate BET and/or BPT returns. You should check the "AMENDED" block in STEP 2 on the Business Tax Summary. AMENDED RETURNS MUST HAVE ALL APPLICABLE SCHEDULES AND FEDERAL PAGES ATTACHED TO BE DEEMED A COMPLETE AMENDED RETURN. For changes made by the Internal Revenue Service for this year, please see STEP 2 on the Business Tax Summary.
	If you need to amend prior year BET and/or BPT return(s) and you need forms, you may access our web site at www.revenue.nh.gov or please call the forms line at (603) 271-2192.
ROUNDING	You may not file an amended return for New Hampshire Net Operating Loss (NOL) carryback provisions. Money items on all Business Enterprise Tax and Business Profits Tax forms may be rounded off to the nearest whole dollar.
OFF	
FILING SEQUENCE	The upper right corner of the NH tax forms indicate the order forms must be placed when filing. Copies of the federal tax return and supporting schedules must follow the NH forms and schedules.

The New Hampshire basis is the original cost to acquire the asset plus the cost of any improvements reduced by the amount of IRC Section 179 and depreciation expenses allowed by New Hampshire under the Business Profits Tax. The IRC Section 179 and depreciation expenses are determined using the IRC in effect on December 31, 2000. Refer to the instructions for Lines 3(a) and 3(b) to calculate the amount of allowable IRC Section 179 expense and depreciation.
LINE 4(d)	Subtract the amount entered on Line 4(c) from the amount entered on Line 4(b) and enter that amount on Line 4(d).

EXCEPTIONS AND PENALTY FOR THE UNDERPAYMENT OF ESTIMATED TAX

INSTRUCTIONS

At the top of the return enter the beginning and ending dates of the taxable period if different from the calendar year.

Please PRINT the taxpayer's name, Social Security Number (SSN), Federal Employer Identification Number (FEIN), or Department Identification Number (DIN) in the spaces provided.

Social Security Numbers are required pursuant to the authority granted by 42 U.S.C.S., Section 405. Wherever SSN's or FEIN's are required, taxpayers who have been issued a DIN, shall use their DIN only, and not SSN or FEIN.

NOTE	Effective January 1, 2004 if the Interest and Dividend tax for the current taxable period is less than \$500 do not complete this form. If you made late partial estimated tax payments, or if this form does not adequately provide instructions for payments you have made, please contact Central Taxpayer Services at (603) 271-2191. Individuals with hearing or speech impairments may call TDD Access: Relay NH 1-800-735-2964.
	PART I - FIGURE YOUR UNDERPAYMENT
LINE 3(a)	For Interest and Dividends calendar year filers, fourth quarter estimates are due January 15, 2009.
LINE 3(c)	Enter in Columns A through D the amount of Line 2 multiplied by Line 3(b).
LINE 4	Enter only the estimated amounts paid timely. Any amounts paid after the specified date [Line 3(a)] should be entered in the next quarter.
LINE 5	Enter any overpayment computed on Line 7 for the previous period. For example, Line 5 Column B will correspond to Line 7 column A.
LINE 8	If Line 8 shows an underpayment, and you do not meet an exception for that quarter, then you must compute the penalty. If there is no underpayment in Columns A through D, you need not complete the remainder of this form.
	PART II - EXCEPTIONS TO PENALTY
LINE 9	For Interest and Dividends calendar year filers, fourth quarter estimates are due January 15, 2009.
LINE 11	Exception pursuant to RSA 21-J:32, IV(a) - Prior period's tax. The prior year must have been a full twelve months and there must have been a tax liability. Multiply the annual tax paid in the previous year by the percentage shown in the boxes on Line 10, Columns A through D to calculate the exception amounts. If the amounts shown on Line 9, Columns A through D are greater than or equal to Line 11 corresponding columns A through D, you qualify for exception (a). Do not complete Part III for any column in which you qualify for exception (a).
LINE 13	Exception pursuant to RSA 21-J:32, IV(b) - Prior year's tax base and facts using current period tax rate. Multiply your prior year taxable base by the current tax rate to arrive at an adjusted tax. Multiply the adjusted tax by the percentage shown in the boxes on Line 12, Columns A through D to calculate the exception amounts. If the amounts shown on Line 9 Columns A through D are greater than or equal to Line 13 corresponding Columns A through D, you qualify for exception (b). Do not complete Part III for any column in which you qualify for exception (b).
LINE 15	Exception pursuant to RSA 21-J:32, IV(c) - Annualized Income. This exception may be applicable to taxpayers experiencing periodic fluctuations in income. This exception applies if the estimated tax paid was 90% or more of the amount the taxpayer would owe if its estimated tax was figured on an annualized basis for the months preceding an installment date.
	A taxpayer may annualize its income as follows:
	(a) For the first 3 months, if the installment was required to be paid in the 4th month.
	(b) For the first 3 months or the first 5 months, if the installment was required to be paid in the 6th month.
	(c) For the first 6 months or for the first 8 months, if the installment was required to be paid in the 9th month.
	(d) For the first 9 months or for the first 11 months, if the installment was required to be paid in the 12th month.
	To annualize, divide the taxable base for the period by the number of months in the period (3,5,6,8,9, or 11, as the case may be) then multiply the result by 12. Multiply the result by the current year's tax rate. Multiply the result of the preceding calculation by the percentage shown in the boxes on Line 14, Columns A through D to calculate the exception amount. Do not complete Part III for any column in which you qualify for exception pursuant to RSA 21-J:32, IV(c).
	If you qualify for the exception, pursuant to RSA 21-J:32, IV(c), you must attach a schedule to this form showing the annualized income computations.
	PART III - COMPUTE THE PENALTY

PART III - COMPUTE THE PENALTY

1 Who Must Pay Estimated Tax

Every entity required to file a Business Profits and/or Business Enterprise Tax return must also make estimated tax payments for each individual tax for its subsequent taxable period unless the annual estimated tax for the subsequent taxable period for each individual tax is less than \$200. However, quarterly payments are required to be made whenever your **annual** estimated tax for the subsequent taxable period equals or exceeds \$200 for either tax.

(See paragraph 6 for exceptions).

2 Where to Make Payments

Make estimate tax payments on-line at www.revenue.nh.gov or mail estimated tax payments to:

NH DRA (NH DEPT OF REVENUE ADMINISTRATION) DOCUMENT PROCESSING DIVISION PO BOX 637 CONCORD NH 03302-0637

When to Make Payments

CALENDAR YEAR FILERS:

1st quarterly payment due April 15, 2008 2nd quarterly payment due June 16, 2008 3rd quarterly payment due September 15, 2008 4th quarterly payment due December 15, 2008

FISCAL YEAR FILERS:

5 Underpayment Penalty

A penalty may be imposed by law (RSA 21-J:32) for an underpayment of estimated taxes if the payments are less than 90% of that period's tax liability. If estimate payments are not made on time, even if 90% of the tax is eventually paid, an underpayment penalty may be applied. If an estimated payment is missed, send the payment as soon as possible to reduce any penalty.

This penalty will not be imposed if any of the statutory exceptions apply. See Form DP-2210/2220.

6 Exceptions to the Underpayment Penalty

The penalty shall not apply if you meet one of the exceptions provided in the law (RSA 21-J:32). Please use Form DP-2210/2220 to see if you meet one of the exceptions or to compute the amount of the penalty. To obtain this form visit our web site or call the forms line at (603) 271-2192.
